CLEARINGHOUSE RULE 00-110

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated September 1998.]

2. Form, Style and Placement in Administrative Code

a. In s. NR 19.50 (1), “program” in the first sentence should be “programs.”

Also, since “atv” is not a defined term, it should be replaced by “all-terrain vehicle.”

b. The analysis in the Report to the Legislative Council Rules Clearinghouse states that “the proposed rule stems from the budget which transfer” The reference to “transfer” should be replaced by “transfers.” Also, the statement is made that the department fees have remained at \$3 per student for several years. This is not correct. Section NR 64.09 (4), which is repealed by SECTION 3 of the rule, provides that the fee for the all-terrain vehicle safety certification program is \$5 per person. This should be reflected in the analysis.

4. Adequacy of References to Related Statutes, Rules and Forms

a. Citation is made in the analysis to “s. 227 (11) (a).” What is intended as the cite? Is it s. 227.11 (2) (a)?

b. No reference is made to s. 350.055, Stats., which is the statutory authority for the department to establish a snowmobile safety certification program.
